Polo & Pan

De soundtrack van vorige zomer? Volgens het toonaangevende Franstalige magazine Les Inrocks werd die gemaakt door Polo & Pan, een jong duo uit Parijs dat in 2017 zijn debuutalbum uitbracht. Polocorp en Peter Pan wisten precies de juiste psychedelische spot te vinden tussen ontspannende electronica en zwoele pop, waardoor jong en oud zich de afgelopen maanden in grote getale vermaakten met de verkwikkende lounge-tropica van deze kleurrijke vogels.
